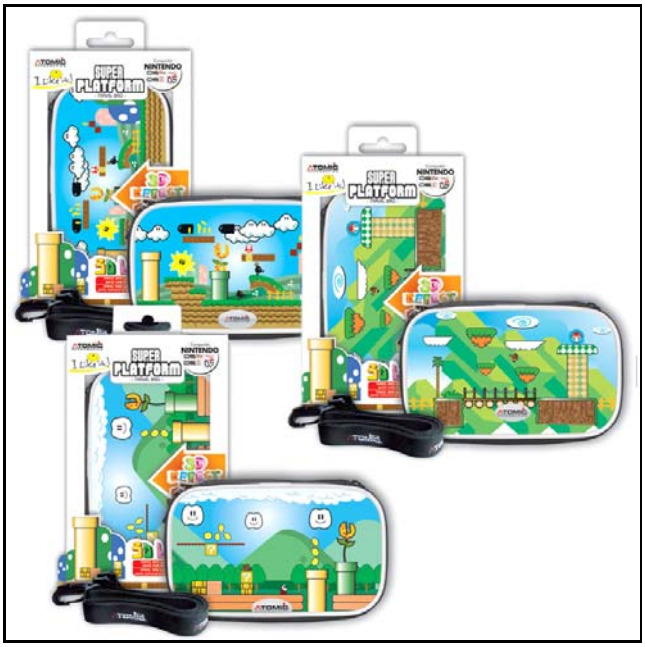
3D BAG I LIKE IT!® - Super Platform - ATOMIC



3D BAG I LIKE IT!® - Super Platform - ATOMIC

The incredible 3D effect hits Atomic cases thanks to this stiff bag with special printing, ideal to carry Nintendo DSi™, DS™ Lite and the brand new 3DS™ consoles.

3D EFFECT without glasses! Move the case and get into the new, exciting 3DS™ world even before turning the console on thanks to holography printing technique.

BONUS! Cute sound charm with 3D wiper and rattle to make your console or mobile phone look unique in a funny and useful way.

BONUS! Wrist lace for optimal comfort and safety.

Care of internal details:
- practical elastic bands to firmly hold the console and protect it from acceidental scratches and shocks
- smart inner net slot to hold accessories and games.

Made in resistant materials outside, protective and anti-scratches inside. Water-proof.

Practical closing system by zip.
